Skip-A-Payment is an optional program to defer a consumer loan payment for a \$35.00 fee per skipped loan payment. Finance charges will continue to accrue at the rate provided in your original loan agreement during and after the payment deferral. Deferring your payment(s) will result in higher finance charges and will extend the term of your loan(s). You will be required to resume regular monthly payment(s) the following month. Mortgage-secured loans, lines of credit, Payday loans and credit cards are not eligible for this program. Delinquent loans are also not eligible for this program.
